

## DROP™

The Drop™ chair was designed by Arne Jacobsen in 1958 as part of his masterpiece, the legendary Radisson Blu Royal Hotel in Copenhagen. The Drop was originally produced along with the Swan™ and the Egg™ but in a very limited number exclusively for the hotel. After more than 50 years in hibernation, the Drop is now relaunched. It is a small chair with a big personality and it is as fresh and vibrant as a new design but with a rare heritage. The design of the back combines a warm embrace with freedom of movement, resulting in a surprising level of comfort.

## ARNE JACOBSEN 1902-1971

The cooperation between Arne Jacobsen and Fritz Hansen dates back to 1934. But it was in 1952 the break-through came with the Ant™. It was succeeded by the Series 7™ in 1955. This propelled his and Fritz Hansen's names into furniture history.

Arne Jacobsen was very productive both as an architect and as a designer. At the end of the 50's Arne Jacobsen designed the Royal Hotel in Copenhagen, and for that project the Egg™, the Swan™, the Swan Sofa™ and Series 3300™.

Arne Jacobsen was and is an admired and outstanding designer. While the significance of Arne Jacobsen's buildings was less appreciated, his furniture and other design work have become national and international heritage.

### DESIGN

Arne Jacobsen, 1958.

### DESCRIPTION

Chair designed by Arne Jacobsen, manufactured by Fritz Hansen.

The shell comes in plastic in six colours and with upholstery in fabric and leather. The shell is made of ABS plastic with nylon as reinforcement inside. The upholstered chair is upholstered with cold cured foam and covered with fabric or leather.

The base consists of four legs in chromed or powder coated steel tubes. The powder coated legs are only available for the plastic chair in colours matching the shell. The chromed and powder coated base for the plastic chair is with leg ferrules of black synthetic material. On the upholstered chair the base has a chromed steel glide made in one piece with the legs - underneath felt glides are mounted.

The accessories for the chair include a seat cushion for the plastic version.
