

PH 5 & PH 50

- Design

Poul Henningsen
- Concept

The fixture provides 100% glare-free light. Its design is based on the principle of a reflective three-shade system, which directs majority of the light downwards. The fixture emits both downward and lateral light, thus illuminating itself. In the PH 5 Classic, a warmer tone of light is created by the inside red cone and a small blue reflector.
- Finish

PH 50: Chili red, coconut white, mint blue, olive black or wasabi green, glossy, wet lacquered. PH 5 Classic: White, powder coated. PH 5: White/Pale rose, Dark Grey/Turquoise, Army/Dark Grey or Pale Rose/Green, powder coated.
- Material

Shades: Spun aluminum. Anti-glare disc: Blue, red, pale rose, green, dark grey or turquoise, spun aluminum. Struts: Aluminum, purple or bronze colored, rolled aluminum.
- Mounting

Canopy: White. Cord type: 3-conductor, 18 AWG white PVC power cord. Cord length: 12'.
- Weight

Max. 5 lbs.
- Label

cULus, Dry location.
