

## R 111N *sideboards*

### Mobile Line

What you want, where you want it. Mobile Line is a design idea for beauty, functionality and individuality in one. The 2.5 mm metal is machined by us using a manual press, welded by hand and finished in all RAL colours, even two-coloured. Mobile Line furniture is durable and strong and will fit in with any new home or workplace design.&nbsp; All Mobile Line sideboards can be delivered either with industrial or transparent castors or anodised aluminium legs (H 12,5 cm).
