a removable handle.

All measurements in mm.

**USM Haller Table
Plus / Access / Advanced**
Accessories

1 **Flat screen support**
Screens are mounted onto the bracket (VESA standard), which can be connected directly to one of the adaptation points. Swivel-type with a spherical joint for the screen.

Options:

1a Mounting at different heights is possible for screens weighing up to 8 kg. *

1b Continuous height adjustment for screens weighing up to 12 kg. *

2 **Screen bracket**
The bracket is inserted into the adaptation points. Up to two screens can be attached using a mounting plate (VESA standard). Screens can be mounted at different heights; screens can be adjusted with ball joints.*

3 **Grommet hatch for network access**
Flush hinged cover set into the tabletop for easy network access, available in two sizes and can be positioned at three different locations.

4 **USB adapter**
The adapter is suitable for USB 2.0 and 3.0 ports; it can easily be inserted into the adaptation point. Usable as power supply or for data transfer.*

5 **Lamp peg**
An optional lamp peg for easy attachment of traditional table lamps. Electrification is possible through the adaptation point.*

6 **Metal privacy panels**
Can be attached to the long side to ensure individuality and privacy for people working at tables configured as a block station. *
