Wire Stool Marble Top

VP11

Verner Panton

2025

Safety precautions

- Dispose of packaging and do not allow children to play with it.
- Do not sit or stand on the table or use it as a step. Misuse may cause damage or injury.
- Keep the product out of the reach of children.
- Do not stack the product.
- The table top is not permanently attached to the wire stool. Be cautious when lifting or moving the table to prevent damage or accidents.
- The table is only intended for interior use.
- Handle the table top with care in order not to scratch the surface.
- Spilt liquids of any kind should be removed immediately from the table top as it may penetrate the surface treatment and cause damage.

Contents

- A Marble table top
- B Plastic connector x 5

Not included

- C Wire stool

Cleaning instructions

Avoid use of abrasive cleaning products such as steel wool or polish as this may damage the surface of the table top.

Polished Stainless Steel

For daily care, it is recommended to dust the surface with a soft, dry cloth. Cleaning should be done only by using a detergent specifically developed for stainless steel. Cleaning agents not developed specifically for stainless steel may permanently damage the surface. Always follow the cleaning instructions provided by the detergent manufacturer carefully.

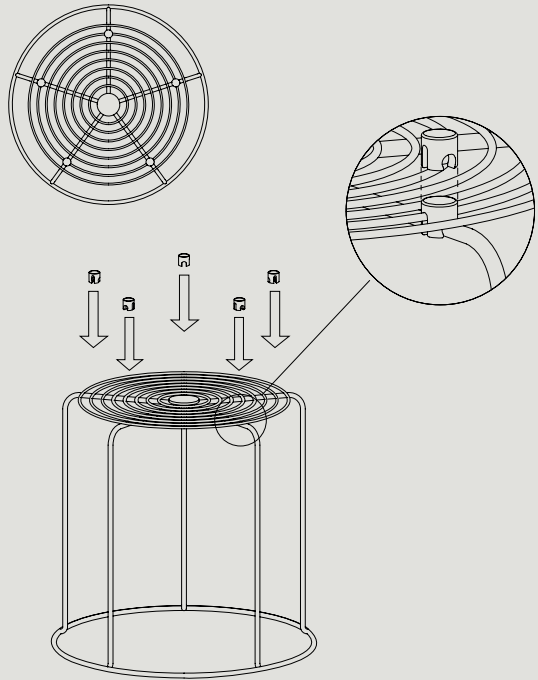

Marble

For daily care, wipe with a soft, damp cloth and dry immediately afterwards. For more severe cleaning, only use a cleaning detergent specifically developed for natural stone.

Please follow steps 1 - 2 to assemble the product.

Step 1 / 2

Position the plastic connectors (B) as shown in the illustration, placing them on the second outermost ring of the wire stool.

Step 2 / 2

Place the marble table top onto the stool, making sure that the pockets on the underside of the table top are correctly aligned with the plastic connectors.

NB: The table top is designed to rest on top of the wire stool and is not permanently attached.
