

Penguin

ORGANIC LINES AND NUANCES

It started in 1954 as unique gifts. Conceived and designed by silversmith Hans Bunde. A handmade penguin for each of his beloved sisters.

Today, more than 60 years later, two members of the penguin family are finally ready to face the world. Large and small, the Penguins stand side by side - as a tangible image of the unbreakable band of the family.

- **Material** Painted beech wood
- **Dimensions** Penguin - Small: H18 cm; Penguin - Large: H26 cm
- **Packaging** One box with one Penguin-Small; One box with one Penguin-Large
