# EGG™ - ANNIVERSARY COLLECTION

The Egg™ chair by Arne Jacobsen is an everlasting Danish design masterpiece. Like a sculptor, Jacobsen strived to shape the shell's perfect form by experimenting with wire and plaster in his garage. Today, it is recognised worldwide as one of the triumphs of Jacobsen's legendary career and a monumental achievement in Scandinavian craftsmanship.

## PRODUCT TYPE

Lounge chair

## ENVIRONMENT

Indoor

## DESIGNER/ YEAR OF DESIGN

Arne Jacobsen, 1958

## DESIGNER

The collaboration between Arne Jacobsen and Fritz Hansen dates back to 1934. It was not until 1952 however that the team got its breakthrough with the Ant™. It was succeeded by Series 7™ in 1955, thereby enabling both Jacobsen and Fritz Hansen to write their names into furniture history.

## MODELS

3316: Lounge chair  
3127: Footstool

## MATERIAL

Shell: The shell is molded CombiPUR (RigiPUR/hard PUR and FlexiPUR soft PUR), and back is covered with tricot wadding 100g, before the chair is upholstered with textile or leather. The shell of the lounge chair has an adjustable tilt fitting which can be adjusted to the weight of the individual user.

Base: The star-shaped, swivel base consists of black PVD coated metal. The base of the footstool is made of black PVD coated metal. The footstool is without swivel function. The leg ferrules are made in black polyamide.

### Materials in %:

3316 w. leather upholstery:  
7% Aluminium  
26% Leather  
25% Steel  
42% PUR foam

3127 w. leather upholstery:  
30% Aluminium  
8% Leather  
27% Steel  
35% PUR foam

3316 w. textile upholstery:  
8% Aluminium  
21% Textile  
26% Steel  
45% PUR foam

3127 w. textile upholstery:  
30% Aluminium  
11% Textile  
27% Steel  
30% PUR foam

*Items with a weight <1% of the total product weight are not included in the figures. The upholstery percentage may vary depending on the upholstery type.*

## BASE

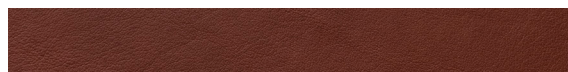

The base is available in:

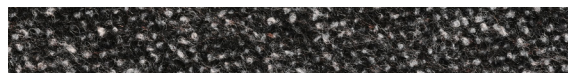

BLACK PVD

## UPHOLSTERY

The Egg™ - Anniversary Collection is available in the following selection of textile and leather types:

LEATHER: GRACE (CHESTNUT)

TEXTILE: VANIR (GRANITE BROWN)

Manufacturer: Kvadrat  
Design: Raf Siomon  
Composition: 92% New wool · 8% Nylon  
Weight per meter: Approx. 760 g  
Lightfastness: 6-7 (ISO 105-B02)  
Abrasion: 100.000 Martindale

## PRODUCTION PROCESS

Shell: The shell of the Egg is made of polyurethane foam with glass fibre reinforcement. The foam for the upholstery and the seat cushion is molded directly onto the hard PUR shell. The tilt mechanism is made of sheet metal, steel tubing and spring steel. The adjustment handle is of polished or powder coated drawn stainless steel. The base consists of a satin-polished or powder coated swivel centre part of welded steel tubing (dia. 38 × 2 mm), a spindle of dia. 28 mm machining steel and a 4-star base in injection moulded aluminium.

The shell of the footstool is made of synthetic material, the foam for the upholstery is molded directly onto the hard PUR shell.

Base: The base is made from a swivel centre part of welded steel tubing mounted on a 4-star base in black PVD coated metal.

## FEATURES

- Automatic return (3316)
- Felt glides

## TEST

- EN 15373 (EN 1728) Test Level 2 General Contract use for strength and durability

## CERTIFICATIONS

- Egg™ is GreenGuard Gold certified.

**WEIGHT**

**3316:**

Textile: 19,8 kg / 43.7 lb  
 Leather: 21,2 kg / 46.7 lb

**3127:**

Textile: 4,6 kg. / 10.1 lb  
 Leather: 4,7 kg. / 10.4 lb

**COUNTRY OF ORIGIN**

Poland

**PRE-ASSEMBLED**

Yes

**PACKAGING**

The chair/footstool is covered with a recycled plastic bag and shipped in a recycled cardboard box. All packaging material can be recycled.

**CLEANING AND CARE**

Find recommendations for cleaning and care at: [fritzhansen.com/maintenance](http://fritzhansen.com/maintenance)

**REPAIR, DISPOSAL AND REUSE**

In the case of disposal the chair and footstool can be disassembled into two parts (shell and base). The shell of the chair requires special handling because of the embedded steel frame. The base and all other metal parts can be recycled. Check local regulations for recycling and whether there is potential for reuse.

**WARRANTY**

Fritz Hansen provides a five-year warranty on standard products against defects in materials and workmanship.

An extended warranty of up to twenty years is provided on selected products provided they have been registered online on [fritzhansen.com/my-fh](http://fritzhansen.com/my-fh)

**Standard (5 years):**

Powder coated base, Movable parts (Automatic return, Tilt & Swivel), Textile

**Extended (10 years):**

Shell, Leather

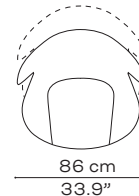

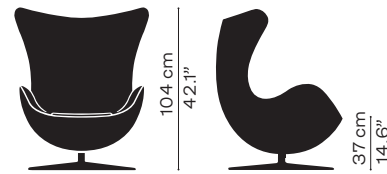

On any material, textile or leather, which is not listed in our price list on a specific product, the standard warranty is 2 years. Additional warranty conditions can be found at: [fritzhansen.com/warranty](http://fritzhansen.com/warranty)

**SPARE PARTS**

Inquiries regarding spare parts can be sent to: [salessupport@fritzhansen.com](mailto:salessupport@fritzhansen.com)
