

THE MIRROR COLLECTION

We have designed a unique range of mirrors with fine details and a simplistic look.
The collection matches our finishes and will compliment products from across our entire range.

The Mirrors are available in a variety of sizes and you can even create a 'mirror wall' using multiple mirrors to suit your own style and needs. The mirrors can be used in the hallway, bathroom, living room, in fact any environment that you wish to!

The Mirror collection is a part of the complete range of Frost design interior accessories.
