PRODUCT FACT SHEET

BONBON SHADE

DESIGN BY ANA KRAŠ, 2019

Inspired by her drawings, Ana Kraš' Bonbon Lamp Shades are hand-woven using an original technique to create textured, one-of-a-kind pieces that can stand on their own as powerful decorative objects even when the bulb is not switched on. In Ana's lampshade collaboration with HAY, every shade is hand woven with nylon-wool yarn around a powder-coated steel frame, resulting in individual lampshades that vary slightly in their appearance and surface aesthetic.
