- FSC™-certified and EU-Ecolabelled
- Suitable for a wide variety of private and public environments
- Qualified for contract use

# J77 CHAIR DESIGN BY FOLKE PÅLSSON

Folke Pålsson's Windsor-inspired J77 Dining Chair has a wide seat and curved spindle back for optimal comfort, while the slightly conical legs create extra stability. HAY's relaunched version is crafted in solid oak or beech and available in a variety of oiled, natural or coloured finishes.

Folke Pålsson was a Danish designer who worked at the FDB furniture design studio in the 1960s. His J77 chair is recognisable design classic all across Scandinavia for its light, comfortable, well balanced design. FDB (Fællesforeningen for Danmarks Brugsforeninger) is the Danish Consumers Cooperative Society, more widely known as Coop. The FDB furniture department played a pivotal role in revolutionising the industry in Denmark, it was founded in 1933 and in 1942 Børge Mogensen was installed as design director. His pioneering approach was distinguished by a desire to create simple, elegant and practical design intended for mass consumption. The Folke Pålsson J77 chair is now produced by HAY, in a range of colours.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
