STYLING GUIDE SPRING 2026

HAY OUTDOOR MARKET BY JASPER MORRISON SHOP

The HAY Outdoor Market by Jasper Morrison Shop is a curated selection of essentials for the outdoors that combines honest, functional design with considered aesthetics. In appreciation of life outside, this collection focuses on elevating the experience of outdoor living. The long list of items covers everything from picnic bags, tea towels, and cooking utensils to deckchairs, canopies, and hammocks, all united by Jasper's distinctively straightforward and uncluttered style that enables them to fit seamlessly into their surroundings.
