

PANTHELLA 160 PORTABLE

This portable table lamp emits a glare-free, soft, and comfortable light. The metal shade variants reflects the light downwards and provides pleasant illumination created by the inner white painted shade and the reflection from the trumpet-shaped stem. The opal acrylic variants provides gentle illumination and subtle ambience due to the transparency and the reflection of the downward light on the inner side of the shade.

Verner Panton

Verner Panton (1926-1998) is famous for his inspirational and colorful personality. A unique person with a special sense for color, shape, light function and space. Over the course of his career, Panton introduced a series of modern lamps with personalities unlike any of his Scandinavian contemporaries.

Product info
