

# Patera Oval

Patera Oval - 5741105939

The pendant is a glowing ellipsoid made up of diamond-shaped cells. Each cell has been carefully designed to capture light and to conceal the light source from viewing angles above 40 degrees. Below 40 degrees the lamp allows direct, downward light. The round opening underneath provides direct light with a soft transition towards the reflected light. The pendant can be used with or without a diffuser plate, depending on whether the view of the light source creates an unwanted glare or not.

## Product info

### Information

Diffuser plate for bottom opening included.

### Mounting

Cable: White textile, 2 x 0.75mm<sup>2</sup>. Canopy: Yes. LED: Canopy contains driver. Cable length: 4 m.

### Finish

White, matt.

### Materials

Shade: Cut matt PVC foil. Frame: White, opal, matt coated, Injection moulded polycarbonate. Suspension E-socket: White, opal, matt coated, Injection moulded polycarbonate. Suspension LED: Matt white, Die cast aluminum Diffuser plate: Injection moulded polycarbonate.

### Class

Ingress protection IP20. Electric shock protection I w. Ground (LED). Electric shock protection II. w/o ground (E-socket).

### Light source

E27

### Information

Diffuser plate for bottom opening included.
