

CONTROL LAMP

FURNITURE / LIGHTING / ACCESSORIES

TAF ARCHITECTS ON THE DESIGN "The CONTROL Lamp is a unique and playful lamp with references to hi-fi and industrial machinery. The light and dimmer is controlled by a switch, referencing volume controls, and is an inviting and simple way of interacting with the user. While designing the lamp, we were inspired by the idea of displaying the different lamp components on a serving plate – almost as a still life. It was a pragmatic approach to making a lamp by the simplest means, a reduced design beyond reduction."

PRODUCT FACT SHEET

PROCESS

The lamp's base is casted in aluminum, polished and finally powder coated.

DESIGNED BY / YEAR OF DESIGN

TAF Architects / 2016

TYPE

Table lamp

DESCRIPTION

An interesting re-design of the naked E27 bulb that invites the user to control the lamp's light using the playful control dial.

ENVIRONMENT

Indoor

DIMENSIONS (CM)

L: 23 / W: 16 / H: 21

CORD LENGTH (MM)

2500

MATERIAL

Casted aluminum

VOLTAGE (V)

40W E27 Normal bulb. 220-230V, energy class E with average lifespan of 1500 hours.

DIMMABLE FUNCTION

Yes

BULB INCLUDED

No

CLEANING INSTRUCTIONS

Clean with soft dry cloth only. Always switch off the electricity supply before cleaning.
