Ease Portable Lamp

"I wanted the Ease Portable Lamp to have a remarkable quality of light, striking a versatile balance between atmospheric and functional light — after all, that is the wonderful thing about a portable lamp — you can bring a distinct ambience to literally anywhere. I landed on the idea of the top and bottom gently touching, softly meeting each other. There is a sense of lightness to it. This feature allows a large surface to emit light, while the flared bottom firmly stabilizes it. It is these details that give the lamp a sort of human quality, making it a friendly and reliable friend."

| About the designer | Johan Van Hengel is a Dutch designer, based in Rotterdam. With a technical background in industrial design, he worked on both consumer electronics and furniture before launching his own studio in 2013, focused on furniture, lighting and living accessories. |
| Environment | Indoor And Outdoor |
| Country of Production | China |
| Preassembled | Yes |
| Description | Inspired by shapes of traditional table lamps, the Ease Portable Lamp transforms this typology into a carriable size suitable to take wherever. Ease offers a high-quality dimmable, no-glare light with 3 levels, striking a balance between atmospheric and functional light. The design has a distinct lightness to it, with the top and bottom gently touching. A slightly flared bottom mimics the lip of a vase in a grounding gesture that allows the base to be slimmer and easier to grab. Ease Portable Lamp is a humble friend with a strong character that works alone or in repetition in any setting; from the bedside, reading nook and home office to the café table, co-working space or library. |
| Material | Battery-powered, dimmable and portable lamp with 8 hours of battery life on 100% intensity, 16 hours on 50% intensity and 29 hours on 25% intensity. Body and lampshade made in injection-molded ABS plastic, with an integrated LED light source. Diffuser in opal acrylic. Charging dock made in injection-molded ABS plastic with USB-C cable. |
| Cleaning δ Care | Lumen Maintenance (L70): 52.000h. Lumen: 230lm on 100% brightness. Kelvin: 2700K. CRI >90. Clean with a moist cloth. If necessary, use a little dish soap on the cloth. Always switch off the electricity supply before cleaning. |
| Light source included | Yes. |
| Dimmable function | 3 step dimmer (100%, 50%, 25%) |
| Additional information | The Ease Portable lamp is suitable for outdoor use with an IP54 rating. The lamp is protected and tested against solid foreign objects, such as dust ingress, as well as liquids, such as water splashes from all angles. |
| Charger Recommendation | USB-C, 5V, 1,5 A, 7,5W |
