

UNDER THE BELL PENDANT LAMP

FURNITURE / LIGHTING / ACCESSORIES

ISKOS-BERLIN ON THE DESIGN "Under The Bell" is not just a lampshade. When hung over a table or in a open environment it creates its own space within the bigger space. That way, the lamp embraces and shelters the table and people beneath it - both physically and in a more abstract sense. The recycled plastic felt even absorbs sound and helps improve the acoustics of your room.

PRODUCT FACT SHEET

PROCESS	Large sheet of PET material is heated in a mould and pressed into its shape.
DESIGNED BY / YEAR OF DESIGN	Iskos-Berlin / 2011
