

VISU WOODBASE CHAIR

FURNITURE / LIGHTING / ACCESSORIES

MIKA TOLVANEN ON THE DESIGN "The task was to create a personal interpretation of the ever-relevant plywood chair. I wanted my chair to have an unobtrusive and timeless nature that is familiar but never boring and without sacrificing function or ergonomics. Designing a family of chairs, visually related but for different functions, was an interactive and thorough process lasting nearly two years. In the end, I think every detail is exactly as it is supposed to be."

PRODUCT FACT SHEET

PROCESS Shell is formpressed from wood veneer, then lacquered. If specified, then padded with fire-resistant foam and fully upholstered with textile. Wood base is formpressed in veneer. Upholstered versions with textiles from Kvadrat or leather from Camo.
