Famille Garage

A versatile piece of furniture for life.

A modular system, where a baby's changing table later becomes a storage unit for toys.

Buy an extra trestle, turn the top of the changing table around and you have a table for children aged 3 to 6.

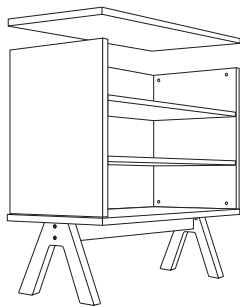

You can either order an additional bench or use the trestle for the small storage unit with an extra panel to create a bench to go with the table. The small storage unit can be mounted to the wall.
