O-Tidy

Office accessories designed by Michel Charlot introduce unusual organic-shaped designs to the usually austere office environment. Inspired by cartoons and sculptures, the different containers add a cheerful touch that will brighten up any setting.

O-Tidy is a useful, versatile storage container perfectly at home on desks, kitchen worktops or sideboards. The design not only offers a tray and cup

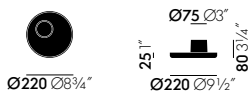

function but also combines their simple shapes into a new, perfectly proportioned object.

Made from robust plastic, O-Tidy is available in a selection of colours.
